

786-WRC EXTREME

The Model 786-WRC Extreme is the ultimate chipper for producing fuel chips and the **largest of three Trelan disc-style chippers** offered. Three or four knife disc options are available with chip sizes ranging from 3/4", 7/8", or 1" A 78" diameter x 6" thick chipper disc is standard along with a **wireless radio remote control** and choice of curved or straight discharge. This unit will provide high production chipping with minimal downtime increasing your overall productivity.

CONFIDENCE TO KEEP RUNNING

All Trelan Bandit Whole Tree Chippers come standard with an industry leading 5-year "GUTS" warranty covering the fabricated components of the disc and feed system. These components are so durable and rugged Bandit is proud to offer this extended warranty as a standard feature.

MAXIMIZE YOUR UPTIME

Trelan Bandit chippers are constructed to withstand rigorous chipping every day, all day. We use only the highest quality components and materials during construction to help ensure that your machine will be ready to go to work when you are.

EASY TO FEED & MANEUVER

Each Trelan whole tree chipper features hydraulically driven feed wheels with heavy-duty planetary drives. This set-up makes the unit easier to feed and provides increased reliability reducing downtime and maintenance.

Tandem axles with air brakes and super single tires are standard on each Trelan model. Each model is designed to be easy to maneuver and transport making them extremely easy to move on a jobsite or haul down the road.

TOP NOTCH SUPPORT

Whether you are supported by the Bandit factory or a dedicated authorized Bandit dealer, you can be confident that our team of trained professionals have the knowledge and dedication to serve all of your parts, sales and service needs!
